The Fraternity & Sorority Life Newsletter

We have elections coming up in each council! I encourage you all to apply for this opportunity. Use this as a chance to network, grow within your community, enhance your leadership skills, but most importantly grow within yourselves. Step out of your comfort zone and be a part of the leadership that guides your council to reach its goals and impact the community. I have truly enjoyed my time being the NPHC President. It has taught me so much about myself and made me into a better leader than I was a year ago. I am glad that I took advantage of this opportunity, and would do it all again if I could. Now its YOUR TURN! Good luck and be great!

- Brianna Manuel, 2018 NPHC Outgoing President

SIGMA NU GLOW K!
The brothers of the Mu Xi chapter of Sigma Nu Fraternity hosted their 5th annual Glow K 5K race on October 13. This year Glow K raised $12,495 to benefit The Ranger Scholarship Fund, an organization that provides scholarship opportunities to the families of active and veteran Rangers from the 75th Ranger Regiment. This is the fraternity’s 5th year hosting Glow K and they have raised over $55,000 to benefit various military organizations over the past 5 years. The fraternity achieved an award this past summer for its philanthropy service for raising more money per brother than any other Sigma Nu chapter across the country. The chapter also hosted a golf tournament, brother auction, and mini carnival earlier this year raising a combined $10,100 from the events. The chapter has raised a total of $22,595 this year. “Our Philanthropy events are a big focus for us each year. We love our community and take pride in giving back.” – Will Duffield (Chapter President)
